CERTIFICATION

27 January 1966

FRANCIS R. GARDNER
HAROLD T. POTTER

To the Citizens of Effingham:

Our town continues to grow by increased building and value. Several new buildings were constructed since our last report and many improvements were made on existing properties. This means increased town dollar value and consequently makes a lower tax rate which is always a welcome thought.

Sixty eight properties were checked in 1965 by Robert Cunningham, State Tax Commission Appraiser, which gave us a NET assessed valuation increase of \$54,677.00.

Six hundred thirty three inventories were mailed or delivered and of this number only 327 were returned, (slightly more than 50%). We again urge you to return your inventory as required by law. The return of the inventory helps us in our evaluation and also protects the taxpayer in the event he appeals to the State Tax Commission for adjustment of his tax obligation.

The following is a report of the Police activities of this year:

Reported thefts:

Gasoline	2
Tools	1
Sporting goods	1
Housewares	1
Damage to property	1
Complaints, live stock	2
Shooting at dump	6
Fires checked at dump	4
Disturbances	8
Properties checked (Reported breaks)	5
Hit and Run	2
Trash left on highway	1

Warnings issued, Motor Vehicle	14
Operators booked	18
Seasonal properties checked	
Doors open	2
Windows open	4
Lights on	4
(Owners notified)	
Surveillance for possible unlawful entry	3
Warrants served	3
Calls to accidents	2
Contacts with Sheriff Dept.	5
Contacts with State Police	4
Assist in locating lost persons	1

All reports were investigated.

The death of our Constable, John F. MacKinnon in August of this year was a severe loss to our town. John was doing a very efficient and conscientious job as Constable. He was most co-operative in all his actions and duties and was a dedicated officer to the trust he had undertaken. It was a pleasure working with him. Our sympathy is extended to his family.

Your Board of Selectmen

EFFINGHAM FIRE DEPARTMENT

Our department answered thirteen calls this year and the types of fires were: 1 house fire; three fires at the dump; 1 false alarm; 1 flooded oil burner; 2 grass fires; 2 woods fires; 2 chimney fires; and 1 assist at Freedom.

In addition we burned over six fields at the request of the owners.

The Ambulance was called eight times for service during the year and covered close to 1000 miles.

Again we would like to thank the people of Effingham for their continued co-operation in helping us to keep fire losses down.

Remember the telephone numbers to call are:

For FIRE ONLY - 539-4864

For AMBULANCE SERVICE - 539-6628
and 539-4846.

DO NOT call the Fire Department number for ambulance service.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 P.M.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression

and hundreds of acres of destroyed woodlands. Yours never to enjoy.
